

WALK & ROLL CHALLENGE

PROMOTING BETTER TRANSPORTATION & AIR QUALITY FOR THE ALAMO AREA

WHAT IS THIS CHALLENGE?

To promote a better quality of life in this region, the Alamo Area Council of Governments and San Antonio-Bexar County Metropolitan Planning Organization challenge area citizens to log 200,000 “smart” miles during the month of September for the 5th Annual Walk & Roll Personal Challenge.

Smart miles are those traveled for work, recreation, exercise, or errands that do not involve driving as a single occupant in a vehicle. Such miles improve health, reduce traffic, and save gas money.

COMPETITION CATEGORIES: ☒ Walking ☒ Cycling ☒ Busing ☒ Carpooling/Vanpooling
Prizes in each category are valued at \$100 or more.
